GAME BOY POWERS UP!

Game Boy® Advance—pick it up and feel the power of the most advanced handheld gaming system ever, in an eye-popping portable package. With a bigger screen, brighter colors, bolder graphics and digitized stereo sound, it's not just new—it's a new generation!

- Get set for an all-new generation of games powered by the world's first 32-bit handheld!
- Plays all the Game Boy and Game Boy Color games you already own!

- New wide-screen format with higher resolution and brilliant color for dazzling, detailed graphics!

- Using select titles, up to four Game Boy Advance systems can be linked together with Game Boy Advance Game Link cables (sold separately) offering multiplayer game play using a single game cartridge!
